

Corrine Berg - Director

I started my journey with dogs in Grade School. Working, learning and training along side them. 4-H in 6th grade was my first formal venue to showcase our skills as a team.

Agility came next. I have been trialing for about 14 years and teaching 10 plus years.

Then came the day about 6 years ago when a friend and I went to Vashon Island to watch an Open field trial with my Border Collie puppy. I was hooked and have never looked back. I am now trialing my 3 year old Border Collie Tay at the Pro-Novice level with my sights on Open.
