

Scott Glen Open Handlers Clinic

August 14-17, 2010

Fido's Farm in Olympia, WA

Spend four days with Scott Glen studying the finer points of sheepdog handling for Open level dogs. Topics will include handling through terrain, shedding farm-flock sheep, double lifts, blind outruns, effects of weather & time of day and making the most of your dog's assets and shortfalls. We will work in various fields and on various kinds of sheep. At the end of this clinic you will know how to better use your dogs existing tools and will, most likely, have a list of new tools to add.

Clinic limited to 10 handlers. \$500 includes lunch each day.

To reserve your slot:

Contact Chris at fidosfarm@fidosfarm.com or (360) 866-8347

\$150 deposit will hold your slot. Non-refundable after July 1. Payment in full due by July 15.
